

This place is giving me chills. Such a deserted area, my Gosh! I cant see a single creature here...

Is that a shop? A book shop?? Wut? The owner looks like a villain from a 1950s horror film.

As soon as you arrive in the store the owner offers you a glass of 12ml, which is filled with water.

Sir, I don't need water....

"Take this book" with a creepy smile

Man, I don't know what the hell is going on but I shouldn't stay here any longer.

You go back to your home and look at the book.

This looks spooky as hell

Idc, I am opening it.

Ooo...is this a test to prove my
worthiness?
