

But I must say, what a melody! Titanic
huh? Reminding me of my school time
crush. I just want to close my eyes and
get lost in this tune....WHATT?

What where am I now? I was on Titan a
moment ago. Luna! Luna! where are you?
Luna! It is extremely dark here.
Oh my holy God, How did I get here?
This is so scary

Wait this thing...I've heard it
somewhere...

Maybe Luna wanted to give me some hint
to rescue her...Where is she now then?
