

So summer vacations have finally begun
huh. I was waiting for this vacation
for ages. But why is it so boring
ughh! I was so bored and burned out
from the regular college
schedule...assignments, tests, and
what not...but why do I feel bored
now? I wonder what Luna is doing. I
bet she is enjoying with her 5th bf of
this week. Hehehe.

Well, I should do somethi.....

What was it? I don't know whether it's
a filthy joke or something really is
happening odd here. Where should I go?

This place is giving me chills. Such a deserted area, my Gosh! I cant see a single creature here...

Is that a shop? A book shop?? Wut? The owner looks like a villain from a 1950s horror film.

As soon as you arrive in the store the owner offers you a glass of 12ml, which is filled with water.

Sir, I don't need water....

"Take this book" with a creepy smile

Man, I don't know what the hell is going on but I shouldn't stay here any longer.

You go back to your home and look at the book.
