

Wow when did this window appear there?

The sunlight falls on the four magnifying glasses arranged on the table on the other side of the room

**Geez, what is it shining? is it gold?
Am I going to be rich?**

**Okay...I need to do something with
these magnifying glasses. Looks like
each one is made up of different
lenses. So I need to name the correct
lense huh.**

But whether
it is going to
warm your
heart or burn
down your
house, you can
never tell."
