But I must say, what a melody! Titanic huh? Reminding me of my school time crush. I just want to close my eyes and get lost in this tune....WHATTT?

<cli>click here

-teleported-

What where am I now? I was on Titan a moment ago. Luna! Luna! where are you? Luna! It is extremely dark here.
Oh my holy God, How did I get here?
This is so scary

<click here>

Wait this thing...I've heard it somewhere...

Maybe Luna wanted to give me some hint to rescue her...Where is she now then?
