Ok, I am worthy...Good...I am feeling like Thor now.

Now what?

TREASURE HUNT

starts here!

Somewhere lies the street named S_____d, where lies one hotel. One room you must reach. One letter you must know. One time you must find. And the rest remains a mystery.

So I need to find the name of this street from this link. Starting with 'S' huh?

(If unable to scan QR code: c_lick_)
